The eleventh row contains five speech bubbles. The twelfth row contains five speech bubbles. The thirteenth row contains five speech bubbles. The fourteenth row contains five speech bubbles. The fifteenth row contains five speech bubbles. The sixteenth row contains five speech bubbles. The seventeenth row contains five speech bubbles. The eighteenth row contains five speech bubbles. The nineteenth row contains five speech bubbles. The twentieth row contains five speech bubbles. The twenty-first row contains five speech bubbles. The twenty-second row contains five speech bubbles. The twenty-third row contains five speech bubbles. The twenty-fourth row contains five speech bubbles. The twenty-fifth row contains five speech bubbles. The twenty-sixth row contains five speech bubbles. The twenty-seventh row contains five speech bubbles. The twenty-eighth row contains five speech bubbles. The twenty-ninth row contains five speech bubbles. The thirtieth row contains five speech bubbles. The thirty-first row contains five speech bubbles. The thirty-second row contains five speech bubbles. The thirty-third row contains five speech bubbles. The thirty-fourth row contains five speech bubbles. The thirty-fifth row contains five speech bubbles. The thirty-sixth row contains five speech bubbles. The thirty-seventh row contains five speech bubbles. The thirty-eighth row contains five speech bubbles. The thirty-ninth row contains five speech bubbles. The fortieth row contains five speech bubbles. The forty-first row contains five speech bubbles. The forty-second row contains five speech bubbles. The forty-third row contains five speech bubbles. The forty-fourth row contains five speech bubbles. The forty-fifth row contains five speech bubbles. The forty-sixth row contains five speech bubbles. The forty-seventh row contains five speech bubbles. The forty-eighth row contains five speech bubbles. The forty-ninth row contains five speech bubbles. The fiftieth row contains five speech bubbles. The fifty-first row contains five speech bubbles. The fifty-second row contains five speech bubbles. The fifty-third row contains five speech bubbles. The fifty-fourth row contains five speech bubbles. The fifty-fifth row contains five speech bubbles. The fifty-sixth row contains five speech bubbles. The fifty-seventh row contains five speech bubbles. The fifty-eighth row contains five speech bubbles. The fifty-ninth row contains five speech bubbles. The sixtieth row contains five speech bubbles. The sixty-first row contains five speech bubbles. The sixty-second row contains five speech bubbles. The sixty-third row contains five speech bubbles. The sixty-fourth row contains five speech bubbles. The sixty-fifth row contains five speech bubbles. The sixty-sixth row contains five speech bubbles. The sixty-seventh row contains five speech bubbles. The sixty-eighth row contains five speech bubbles. The sixty-ninth row contains five speech bubbles. The seventieth row contains five speech bubbles. The seventy-first row contains five speech bubbles. The seventy-second row contains five speech bubbles. The seventy-third row contains five speech bubbles. The seventy-fourth row contains five speech bubbles. The seventy-fifth row contains five speech bubbles. The seventy-sixth row contains five speech bubbles. The seventy-seventh row contains five speech bubbles. The seventy-eighth row contains five speech bubbles. The seventy-ninth row contains five speech bubbles. The eightieth row contains five speech bubbles. The eighty-first row contains five speech bubbles. The eighty-second row contains five speech bubbles. The eighty-third row contains five speech bubbles. The eighty-fourth row contains five speech bubbles. The eighty-fifth row contains five speech bubbles. The eighty-sixth row contains five speech bubbles. The eighty-seventh row contains five speech bubbles. The eighty-eighth row contains five speech bubbles. The eighty-ninth row contains five speech bubbles. The ninetieth row contains five speech bubbles. The ninety-first row contains five speech bubbles. The ninety-second row contains five speech bubbles. The ninety-third row contains five speech bubbles. The ninety-fourth row contains five speech bubbles. The ninety-fifth row contains five speech bubbles. The ninety-sixth row contains five speech bubbles. The ninety-seventh row contains five speech bubbles. The ninety-eighth row contains five speech bubbles. The ninety-ninth row contains five speech bubbles. The hundredth row contains five speech bubbles.

Q.2 चित्र देखकर उसका वर्ण लिखो और रंग भरो ।

Q.3 अक्षरो को चित्र से लिलाओ ।
