

# DELHI PUBLIC SCHOOL MEHSANA

Run by: Swaminarayan Trust, Zundal.

*STEP IN TO EXCELLENCE - EXPERIENCE THE DPS DIFFERENCE*

# SCHOOL'S VISION AND MISSION

## The Vision

OUR VISION: Shaping Global learners' with commitment to provide a safe and stimulating environment to prepare compassionate and creative thinker in this rapidly changing world.

## THE MISSION

OUR MISSION: DPS Mehsana is committed to provide education that helps to develop children into balanced personalities, with sound values of love, kindness, devotion and service before self.

CORE COMPETENCIES: At DPSM, we adopted the Cambridge International Curriculum to provide students with a world-class education. This curriculum offers a rigorous academic foundation, fosters critical thinking, and prepares students for global success. School is committed to equipping its students with the tools they need to thrive in today's interconnected world.

MEHSANA

## *"Where Vision Meets Action - The Future Begins Here".....Director*

**It is with great pride and excitement that I share with you the beginning of a new venture that will surely soar DPS to new heights. This collaboration marks a milestone in our journey toward excellence in education. Together, we will focus on enhancing the curriculum, empowering staff development, and opening broader horizons for our students.**

**We believe that true education goes beyond books—it lies in nurturing inquisitive minds, building strong character, and preparing responsible global citizens. This partnership is a step forward in that very direction.**

**I extend my best wishes for the progress of all our students, and I look forward to witnessing their transformation into confident, capable, and compassionate future citizens.**

**Let us continue to walk hand in hand—educators, parents, and students—towards a brighter and more meaningful tomorrow at DPS.**

**Warm regards,  
Dr.Sadhana**

# Unique Approach

All are unique and first time in India

# EARLY CHILDHOOD DEVELOPMENT

Child development is a process every child goes through. This process involves learning and mastering skills like sitting, walking, talking, skipping, and tying shoes. There are 5 main areas of development:

**Cognitive  
Development**

**Social and  
Emotional  
Development**

**Speech and  
Language  
Development**

**Fine motor skill  
Development**

**Gross motor skill  
Development**

# EARLY CHILDHOOD DEVELOPMENT
