

## ☀️ SUMMER VACATION HOMEWORK ☀️

🏠 Academic Session: 2026–2027

### ☀️ Thought for the Holiday

*"Success doesn't come from what you do occasionally, but from what you do consistently."*

👤 Name: \_\_\_\_\_

📖 Class : \_\_\_\_\_

🆔 ID Roll No.: \_\_\_\_\_

### 🎯 My Goals for This Vacation

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

## **Subject-wise Homework : English**

### **Picture talk : What's happening?**

- Paste/draw a scene (park/classroom/market).
- Write 10 sentences using modals:
  - “The boy may be playing.”
  - “They should not litter.”
  - “People must follow rules.”

## **Mathematics**

Draw a neat and colorful travel route map .

- . Mark starting point and destination
- . Show distance.
- . Decorate with symbols (Do in a notebook).

Write a summary ch-3 (A peek beyond the points ) from maths workbook page 52,53,59,60,66,67 in your maths school notebook.

## **Science**

1. Find 10 items at home (lemon, soap water, turmeric, baking soda, etc.)

Write: Which are acidic/basic or neutral (use taste/feel or turmeric test if possible)

Try turmeric on paper too. Write results in the science school notebook and click paste photos of your results {show result in video }

**Make a 2- min video explaining about acid and base { your results }**

**Write in your science school notebook and paste colorful pictures also**

2. Write a summary of ch-3 Electricity from science workbook pg- 22, 24,25,30,33 in your science school notebook and draw diagrams also.

## **Hindi**

रिश्तों की दीवार: अपने परिवार के किसी बड़े सदस्य (दादा-दादी या नाना-नानी) का साक्षात्कार लें और उनसे उनके बचपन के खेलों और खान-पान के बारे में पूछकर एक रिपोर्ट तैयार करें।(नोट बुक में लिखो।)

पाठ 3 फूल और कांटा की कविता भावार्थ सहित कार्य पुस्तिका का पेज नंबर 35,36 नोटबुक में लिखो।

## Social Science :

### Q1. Travel Diary Challenge (Geographical Diversity)

Imagine you are travelling across India from the Himalayas to the coastal plains.  
Write a short **travel diary (100–150 words)** describing:

- Climate changes
  - Landforms you see
  - People's lifestyle and food habits
- 

### Q2 Think & Imagine (Higher Order Thinking)

If rivers did not exist, how would:

- Settlements develop?
- Trade and cities grow?

Write your answer in **5–6 points**

---

## Computer

- Do practice on conversions: Binary to Decimal and Decimal to Binary in rough notebook

 **My Holiday Reflection :**

What did I learn?

---

What did I enjoy the most?

---

What new habit did I develop?

---

  **Keep Growing!**   
Stay curious, stay disciplined, and keep learning.

**Have a happy and safe vacation!**  

 **Remarks**
