“ Today’s Learning, Tomorrow’s Leadership ”

प्रेरणा उत्कृष्टतायै

Inspiration Leads To Excellence

Inspiration awakens the desire to grow and improve. It gives purpose to learning and direction to effort. When the mind is inspired, dedication becomes natural. Consistent effort then turns ability into mastery. As a CBSE affiliated K-12 school. We emphasise on academic excellence, life skills and holistic growth through sports arts and real -world experiences.

Welcome Address

At Delhi Public School Mahesana Welcome to a learning community shaped by global vision and shared values. Our international environment brings together students from across the world. We foster curiosity, respect, and collaboration beyond borders. Through innovative education, learners develop knowledge and character. Diverse perspectives enrich every classroom experience. We prepare students to thrive in an interconnected world. Academic excellence is balanced with creativity and compassion. Our educators guide each learner toward confidence and purpose. Together, we build understanding across cultures and communities. Learning today inspires leadership for tomorrow. We warmly invite you to be part of our global journey.

“Spark curiosity, achieve excellence”

Vision

We are a school with an Indian mind, an Indian heart, and an Indian soul; a school that celebrates the culture of excellence and nurtures time-tested values. We recognise the imperative of imparting an educational experience that is world-class in every respect and prepares children for global citizenship. We believe that a curriculum of excellence with a global dimension is central to the education of children, so it prepares them to explore the opportunities and face the challenges of an ever-evolving world, with confidence and strength of character.

Mission

To provide a learning environment that encourages children to bring out the best in themselves and enables their all-round development through the joy of learning, the appreciation and embodiment of values, and the celebration of diversity.

Our Values

At DPSM we are driven by a powerful vision and an ambitious mission. We embrace the mantra, “dare to dream...learn to excel,” and prepare our students for an ever-evolving world with boundless possibilities. Our commitment to agile and innovative teaching ensures that our methods evolve, but our foundational principles remain steadfast. Our core values serve as the bedrock and the ultimate aim of our institution. They guide our actions, shape our culture, and reflect in everything we do.

A Legacy of Excellence

Finland :-International School of Helsinki - offers IB programmes from Kindergarten through Grade 12 in English, located in Helsinki. Globally respected with world class facilities a strong academic framework and a holistic approach to learning DPSM nurtures curious, confident and globally aware learners through intentionally aligned curricula and a vibrant mix of academics. Arts, sports and leadership opportunities. DPSM Pre extends this philosophy to early years education with centre in Mahesana and on a global scale, offering a joyful, research-based learning environment that builds strong cognitive, social and emotional foundations. Together, DPSM provide a seamless future-ready pathway that shapes well rounded compassionate and world ready young learners for global citizen.

Our Pedagogy

Five Pillars of Learning

DPSM pedagogy is built on five pillars that balance tradition, wholesome education with 21st - century readiness :

Indian Knowledge Systems (iks) :

Learning rooted in India's rich heritage and wisdom.

Core Academics (CBSE):

Strong domain knowledge adapting the real-world application of concepts of NEP 2020.

Life Skills:

Practical life competencies and values for everyday success.

Beyond Classroom :

Holistic experiences in sports, arts, sustainability and community service that build character (learning beyond textbooks).

University Readiness :

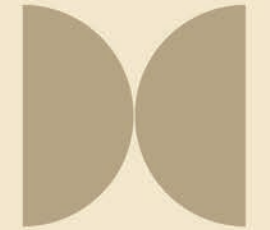

Early career guidance and entrance exam preparation for higher education.

Dive into Our Programmes

Academic Pathways - From Foundation to Secondary
Our CBSE K-12 program is divided into four developmental stages :

Foundation (Nursery - Grade 2) :

Play-based early learning that sparks curiosity and sensory learning; and builds strong fundamentals.

Preparatory (Grade 3 - 5) :

Broadening core skills and encouraging exploration as children grow.

Middle (Grades 6-8)

Deepening understanding with interdisciplinary projects and greater independence.

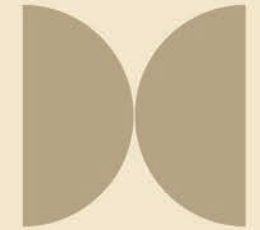

Secondary (Grades 9-12)

Future-ready, focus on subject specialisation, leadership opportunities, and college/career preparation.

Nurturing Every Dimension

At DPSM, education is personalised to nurture every child's mind, body and spirit as we believe meaningful learning cannot follow a one-size-fits-all approach.

Skill Development :

Cultivating 21st - century skills like critical thinking, creativity, collaboration and communication.

Well-Being:

Prioritizing students' emotional and physical well-being in a supportive, values-driven environment.

Arts-Culture:

Fostering creativity and cultural appreciation through music, dance, drama and fine arts programs.

Clubs & Activities :

A range of clubs- from theater and dance to robotics, Quiz and debate - nurtures every child's interests and talents.

Student Leadership :

Programs like Model United nations, entrepreneurship, projects and school councils empower students to lead and collaborate.
